**Talking to Parents about the
 Hard Stuff Train the Trainer
 Manual—CD available at
 \$25.00 each including
 postage**

**‘Talking to Parents
 About the Hard Stuff’:**

A learning tool for working with families and strengthen workers confidence and skills in having challenging conversations with vulnerable parents. Aimed at childcare and other workers who have contact with families but who do not carry direct welfare responsibility as part of their role

This 140 page manual provides all the background information, training modules and small group exercises, trainers notes and power point / over head slides required to run ‘Talking to Parents About the Hard Stuff’ (on disk and hard copy). Can be run in a variety of ways to suit your agency or network.
